Do you want to change your life? Do you want to change the world? Have you tapped into your true potential? Would you like to meet new friends, find inspiration and motivation, and experience life from a different perspective? If this is you, don't miss the opportunity to be part of RYLA 2015.

RYLA is part of a unique youth program sponsored by Rotary International which works with young adults from a variety of backgrounds to promote the development of personal and professional leadership skills.

RYLA offers an exciting combination of energetic team leaders, motivational speakers, self-development workshops, and hours of interaction and fun. Awardees take a week away from their usual work or study and are given a real opportunity to step out of their 'comfort zone' and push beyond their personal boundaries in a friendly and supportive environment. The life tools, confidence and personal development gained are invaluable to the individual participants and are qualities that can be taken out of RYLA and back into daily life and work.

If you already know someone who has been to RYLA, you will have seen the difference that this unique program makes. This year, it could be you.

Employers, why not invest in your most valuable resource and the potential future leaders of <your business> our country? RYLA will benefit not only your employees but also your business. Rotary welcomes you as a full or co-sponsor of RYLA. <The program is equal to any on the market but at less than a third of their cost.>

Motivated individuals, organisations and companies can contact the President of the Rotary Club of **[insert name], [insert President's name]**, on **[insert telephone number]** or RYLA Chairman, Colleen Caruana, 0412 744 038.
