Clothing for the camp should be comfortable enough for you to run around and move in. Remember that you will likely get wet on the Saturday. On the Saturday night we will be having a formal dinner. For this dinner, we expect that all participants will be dressed to a standard that would be acceptable for a nice dinner out (smart casual).

Do not forget your prescribed medications - if any – and make sure the leaders are aware of what you are taking. We are unable to administer any pain relief medication to participants that is not prescribed to them. If you think you/your child might need it over the course of the weekend, it will need to be supplied.

Possible extras:

- It is not expected that you will need to spend money but you may like to have a small amount for drinks and snacks. There are drink vending machines available.
- Please leave valuables at home e.g. tablets, iPods and MP3 players.
- Do not forget to remind us of any allergies or special health needs.

Please Note:

- The use of skateboards, roller blades, etc. is NOT permitted.
- Luther Heights is smoke free and has a total ban on alcohol on the premises.
- It is preferred that you leave your mobile phone at home. Leaders will have phones if you need to ring home
